The Start Smart basketball program will be held **January 8, 15, 22, 29** at the Wauseon Primary School. The program will run from 1:00-2:00pm. Start Smart Basketball teaches children the basic motor skills necessary to play organized basketball while they work one-on-one and spend quality time with their parents. The program focuses on teaching children and their parents, skills in dribbling/ball handling, passing/catching, shooting and running/agility without the threat of competition or the fear of getting hurt. The program will be held for four (4) sessions, and as the program advances exercises become increasingly more difficult as the class progresses and the children show improvement.

*Please Note: A Parent or Guardian will be required to participate in all the activities with their child. This program is for children in grades Pre-K or K. Must be 4 by January 1, 2022.
